

Rosslyn Children's Center

The Diapering Process

Always remember, the child is a part of the entire process – encourage a child to assist you, as able...

Smile...Talk...Sing

- *Wash Hands
- *Sterilize changing surface
- *If used, place changing paper on table
- *Have diaper, wipe and change of clothes within reach
- *Place gloves on hands
- *Pick up child (or let child walk up steps with your guidance) and lay child on table.
- *Remove diaper and clean child's body
- *Place soiled diaper and gloves in foot operated diaper pail
- *Place clean diaper on child
- *Pull up pants (let child assist if able)
- *Place changing paper, if used, in foot operated diaper pail
- *Sterilize table
- *Wash hands
