

RCC Parking Policy

We are very fortunate to have the partnership with Monday Properties which enables us to offer two parking passes to each family enrolled at RCC. The parking pass offers **LIMITED ACCESS/EGRESS** as is outlined below - and is strictly enforced.

1. Access to “B” level during RCC operating hours **ONLY** for the purpose of dropping off/picking up your child(ren).
2. Parking spaces are designated for RCC families and no other spaces should be used (exception is if all RCC spaces are full).
3. You must pull your car all the way to the wall.
4. If you are parked behind another car, you must either: leave your keys in the car; or give your keys to the attendant. **DO NOT BLOCK ANOTHER CAR IN...**
5. If, for **ANY** reason, you need to park your car for longer than the 20(ish) minutes it takes to drop off/pick up your child, you must either:
 - a. Buy a monthly parking pass from Monday Properties which will enable you to park in the garage any day/for any length of time;
 - b. Enter the garage through Entrance C/D and get a daily parking ticket. You will then just pay for the hours you’ve parked.

UNDER NO CIRCUMSTANCES can an RCC garage access card be used for any other reason than pickup/drop off.

NOTE: Parking pass usage is monitored by Monday Properties and any misuse may subject that family to disciplinary action up to and including termination of enrollment.
